Dear Oak Hill Community,

Yesterday evening, Governor DeWine issued an order about fall sports. We are willing to do whatever it takes – such as wearing masks and social distancing - to get to have a football season because we believe that extra-curricular activities are important for achieving our vision of *Skills and Character for Success*.

Today, Mr. Lewis and I met with the other Superintendents and Athletic Directors in our Southern Ohio Conference to determine how our conference would comply with that order. Here is what this means for Varsity Oak Hill football.

We all need to do our part in keeping our kids and community healthy so we can stay in school and have extra-curricular activities. This is a TEAM effort!
