

Oak Hill Union Local School District Remote Learning Schedules

We believe that the best place for students to learn and stay healthy is in our schools. However, we want to be ready in the event that we need to shift to remote learning, such as for calamity days or health care measures. Our remote learning plan is designed to support student learning and growth during the time of remote learning.

Oak Hill Elementary Remote Learning Schedules

9 th Period – 1:55 – 2:25	9 th Period – 2:00 – 2:25

Attendance

Students should log in to each class, remain present (camera on), and participate to be counted present, same as when school is on-site. Parents should contact the school when their child will be absent, same as when school is on-site.

Internet Access

There are internet hot spots at Oak Hill Elementary School and Oak Hill Middle/High School. Schools can help families identify other hot spots in the community as well.

Parents can make arrangements with their child's school if there is an issue with internet access, the schedule, or if other considerations are needed.
