

Duck Race Info Sheet

Live event – Thursday, October 22nd @ 7pm

How the Duck Race works:

-Each senior will be selling ducks to enter the race. 1 duck-\$5, 5 ducks-\$20 or 15 ducks-\$50.

-It is important to get all info from each buyer: Name, email and phone #. This will allow the buyers to go to our OakDuckRace.com page to look up their duck #'s, if interested. If buyer does not have an email, feel free to put your own and you can confirm that the ducks are in the race.

-Ducks can be purchased from the student with cash or check OR directly from our OakDuckRace.com page if they prefer to use a credit/debit card. If you know that someone purchased online for you, please add their name(s) to the Online Sales lines on the back of order form. If someone buys online and you are unaware, you will still get credit as long as the buyer puts your name in the Senior Class Student line.

- All ducks purchased directly from a student with cash/check, will be turned in by TUESDAY, OCTOBER 20TH so that Mrs. McCain can manually enter all of those before the live event on Thursday, October 22nd.

-Online duck sales continue right up to 1:00pm on race day, Thursday October 22nd. Students will continue receiving credit for those sales.

-We will have a Duck Race Event at OHHS cafeteria on Thursday, October 22nd. There will be a Spaghetti Dinner beginning at 5:30 with choice of spaghetti or alfredo with a salad and drink for \$10. Desserts will be available for additional cost. During this event, there may be other options available for people to support the Class of 2027 by participating in as well; such as: silent auction, Chinese auction or other items.

-The actual Duck Race will be shown virtually on the big screen in the cafeteria at 7pm.

- The winners are randomly chosen electronically and will be displayed on the screen at the end of the 3 minute race.

-Prizes: 1st Place \$500 2nd Place \$250 3rd Place \$100 Last Duck \$50

-All prizes have been covered with sponsorships so 100% of ducks sold by each student will be credited directly toward that student's cost to attend the Senior Trip.
